Numerous engaging sessions followed on the second day of AIMA's 50th National Management Convention. At the special 'Golden Jubilee Gala Evening' organised to commemorate 50 years of AIMA's National Management Convention, Amitabh Kant, India's G20 Sherpa, said, "We will speak the voice of the developing and the emerging countries. This year, 80 percent of the global growth is coming from emerging markets and in the next two decades, two-third of the growth will come from emerging markets."
